Hello Kristine.

I've checked in with people here and it looks like meeting on the morning of Thursday December 20th will work best for us (sorry Sean), so let's confirm that date/time.

I'll follow-up with you on meeting topics as the date approaches.

Thanks again for your time in checking on people's availability and hope you (everyone) have a good holiday.

Mr. Dana Bayuk, Project Manager
Cleanup & Portland Harbor Section
Oregon Department of Environmental Quality

Thanks all--I might be able to join in by phone on 12/18 (more open) or 12/20--I'm booked much of 12/20 already. Feel free to go ahead with Kristine and Rene and I can get my comments to them beforehand. S

Good morning Kristine.

The morning of Thursday December 20th works for me. If it helps with Sean's schedule, I also have availability on Tuesday 12/18 and Wednesday 12/19.

I'd like other members of DEQ's project team to attend. Both Henning Larsen and Tom Gainer are out of the office until next Monday morning. I'll check in with them then.

Let's tentatively arrange to meet on 12/20...I'll follow-up with Tom and Henning early next week, and get back to you regarding our general availability on the 18th, 19th, and 20th.

Thanks for checking schedules on your end and getting back to me so quickly.

Hope you have a good weekend.

Dana - I spoke with both Sean and Rene about the meeting. Rene is actually out for two weeks and will not be back until Dec 10. I'd like for him to have enough time to review the document before we meet. The best time for us would be the morning of 12/20, although Sean would not be able to participate. Please let me know if this works for you.

Thanks,

Kristine Koch
